### STATEMENT ON THE EU REFERENDUM from CARDINAL VINCENT NICHOLS, PRESIDENT of the BISHOPS CONFERENCE of ENGLAND & WALES:

*"A great tradition of the United Kingdom is to respect the will of the people, expressed at the ballot box. Today we set out on a new course that will be demanding on all. Our prayer is that all will work on this task with respect and civility, despite deep differences of opinion. We pray that in this process the most vulnerable will be supported and protected, especially those who are easy targets for unscrupulous employers and human traffickers. We pray that our nation will build on our finest traditions of generosity, of welcome for the stranger and shelter for the needy. We must now work hard to show ourselves to be good neighbours and resolute contributors in the joint international efforts to tackle the critical problems of our world today."*
