EASTER GLORY FILLS THE SKY; CHRIST NOW LIVES NO MORE TO DIE- The words of this hymn are but one way of expressing something beyond the power of mind and experience to comprehend. The return to life of Jesus is not like that of Lazarus or the widow's son at Nain. They died eventually. The resurrection of Jesus is altogether on another dimension. It is a major leap forward for humanity.

A BIG THANK YOU -
To, everyone who cleaned, polished, brought & arranged flowers, read, sung, played the organ, or served or greeted for Holy Week & Easter services.

"Tell us Mary, say, what thou didst see upon the way. The tomb the Living did enclose; I saw Christ's glory as he rose! The angles there attesting; shroud with grave-clothes resting."
