PARISH BIBLE-BASED STUDY DURING LENT – As with the House Masses within the parish during Lent last year, this year it is proposed to have similar weekly gatherings. Each week The Biblical sources of the Seven Sacraments of the Church will be the subject for discussion. This responds to a need expressed by several requests made at various times. It is vital that the biblical origins and divine institution of our Sacraments is proclaimed and believed. Venues for each of the 6 Weds in Lent are needed. It would be ideal if the gatherings took place in a different home each week but all and any offers of hospitality for these occasions is welcome. Names & addresses should be sent by email before 12 Feb.

Beatrix Rose Catherine Lockwood received Baptism at OL&SJ on Saturday 14 Jan. We wish her and her parents and their families every blessing for the future.

PARISH REGISTER OF DEATHS – The book in which deaths within the parish should be recorded has a last entry in January 1983. Obviously there is a lot of catching up to be done. It may not be possible now to trace and record every death since then. But some of you will be able to supply names and dates relating to deceased members of your own families who have lived within the parish during recent decades. Information provided should include name, date of death, last rites (if received) and place of burial/cremation.

NORRIE TAPSELL'S PAPAL AWARD – was overdue but has at last arrived! It will be presented to her at the 10.00am Mass at OLSJ on **Sunday 22nd**. We all join in congratulating her on this well-deserved honour. She is almost certainly the only person aged 100 ever to receive it.
