

MASS THIS WEEK – week beginning 12 July 2020

It was wonderful to be able to celebrate Mass in public for the first time since March. Thank you so much to everyone who worked so hard last week to make this possible.

The churches are thoroughly disinfected (not cleaned in the usual sense) between Masses. Thank you to everyone who has volunteered for this duty, which by Government advice should not be done by anyone over 70. Extra volunteers are always welcome.

Our Lady and St John has a capacity of 40 people and Christ the King a capacity of 50. This morning we were roughly half full in each building. If you would like to come and do not have a medical reason to keep you at home, there is likely to be room.

In your prayers this week please pray for the soul of Richard Dunne who lived most of his 98 years in South Stoke and Goring. May he rest in peace.

Public Masses this week will be celebrated on Tuesday at Goring at 6.00pm to avoid clashing with the noise of the building works and on Thursday at 12.00pm at Woodcote. For now, Masses on other days will be solitary ones celebrated by the priest alone.

If you have an intention for Mass please contact me on 07866 357274 or Father.Macnab@btopenworld.com

Every blessing,

Fr Kenneth Macnab
