FINANCE & GENERAL PURPOSE COMMITTEE MEETING

This took place on Tuesday 19th to discuss the response of the diocese to our architectural plans for the parish room etc. Parish finance was also on the agenda. There are complications regarding the plans and further discussion with the diocesan representative will be required to reach agreement and approval. That should happen fairly soon. A meeting with the diocesan development representative - mostly about funding and fund-raising - took place in early June. There was positive feedback regarding application for grants. Parish accounts for the year 2017 will be found on the website. A parish meeting was intended, to report on the diocesan response to the plans. As we now await further discussion it was decided to have a meeting in September. The surveyor's report on our buildings -required by the diocese- is also on our website.

Congratulations & every Blessing to Albert Frederick Jones and his family. He was baptised in OL&SJ on Saturday 23rd June.

SAINTS THIS WEEK
