HOLY WEEK & EASTER

After what -for me- seems the quickest Lent I can remember we have come to Holy Week 2018. The importance of this time cannot be underestimated. It is the re-enactment of the events that brought us the Church and all its Sacraments. It is also the celebration of when and in what way Our Lord brought salvation to the human race and left a permanent memorial that allows us to be a part of it as though we had been there. Make a real effort to come to as many of the great ceremonies as you can.
