From Fr Antony – The Churchill Hospital oncology team has informed me that the immunotherapy treatment I had in the first 3 months of the year has not been successful. This is a severe blow that I had not anticipated but must accept. They took a blood sample last Thursday and depending on what that shows they are considering the possibility of offering alternative trial treatment. They are doing all they can but what works for some will not work for everybody. I remain hopeful and ask for your continued prayers whatever the outcome. During July I shall be away trying to catch up with friends and family. Some weekday Masses (Tues & Wed) and Saturday Holy Hour 5pm, will not take place. Otherwise all will carry on as normal. Fr Jacob and Fr Ken Macnab from the Oratory School will share the weekend Mass rota. In any emergency Fr Ken (who lives within the school complex) may be contacted. His number is 01491683604.

SS PETER & PAUL, APOSTLES

Transferred from the 29th this is one of the few saints' day that are kept with special solemnity. The profile of these two figures is most prominent in the New Testament. By the direct mandate of Christ, Peter led and commanded authority in the early Church and is always listed first among the apostles. Paul was commissioned by Christ in a vision to preach the Gospel in the pagan lands around the Mediterranean. Both were martyred in Rome in 66AD and later two huge churches were built in their honour.

VOLUNTEER DRIVERS - Two ladies, one resident in The Grange and the other in Lyndhurst Court would love to be able to attend Mass whenever possible on Sundays. If there are any drivers able and willing to oblige with a lift please let Fr Antony know.
