

WELCOME TO MASS

In these unusual times there are instructions from our bishops to keep us all as safe as possible ...

-  Please stay at home if you are at all worried. The Sunday Mass Obligation has been suspended.
-  Please stay at home if you feel unwell.
-  Churches are disinfected between Masses and ventilated.
-  Please wear a face covering (unless you are under 11 or exempt.)
-  Please use the hand sanitiser at the doors.
-  Please follow instructions from the stewards.
-  Please follow the one-way system, particularly when coming forward for Holy Communion and leaving church.
-  Please make sure you and your household group are at least 1 metre (3' 3") away from everyone else, ideally 2 (6' 6".)
-  Various things have been suspended from our worship for now: processions, the collection, passing the peace, singing.
-  Printed sheets only; these are recycled after Mass.
-  Track and trace forms are in the pews.
-  This will be over one day!
